Kadri has highlighted the observation of the internal audit team about mandatory obligation to submit the financial share and GBM minutes to the charity commissioner as per the legal obligation under Trust and Society Act as well as submit annual report to charity commissioner. It is agreed that Head office of the IAPSM has to look into and must comply to the legal obligation.

It was shared by Dr. Sonu Goel, PGIMER, Chandigarh that he has reservations against the decision made in the previous GBM that only one oration can be awarded to one IAPSM member, because oration is awarded purely on Merit basis and scores, So, 2 orations can be awarded to one IAPSM member. But this submission was rejected by the GBM unanimously.

As there was no more agenda, the meeting ended with thanks to all esteemed members for their valuable input.

With warm regards,

Long live IAPSM.....!!!
