# WELCOME NOTE

## *Dear Esteemed Delegates,*

On behalf of the Organizing Committee, we warmly welcome you to the 31st Andhra Pradesh State IAPSM & IPHA Joint Conference, hosted by the Department of Community Medicine, Alluri Sitarama Raju Academy of Medical Sciences (ASRAMS), Eluru. The conference will be held on 6 & 7$^{th}$ of February 2027, preceded by a Pre-conference workshop on 5$^{th}$ February 2027.

Our theme, "Reimagining Community Health: Advancing Science, Transforming Communities," invites us to consider how research transforms to health priorities of the communities, we serve. From strengthening preventive services to making care more accessible, the conference offers an opportunity to share what works, discuss challenges from the field, and explore how evidence can inform everyday public health practice.

We are pleased to bring together faculty, researchers, healthcare professionals, public health practitioners, postgraduate trainees, and students. We encourage you to share your work, learn from colleagues across Andhra Pradesh, and build collaborations that continue beyond the conference.

We look forward to welcoming you to the ASRAM campus and hope you enjoy our warm hospitality. We wish you an engaging conference and a pleasant stay.
