Editorial

I feel happy and privileged in placing the third issue of National Quarterly Newsbulletin of IAPSM in your hands. I would like to take this opportunity to share some important issues with you.

As mentioned in my earlier communication, we had approached different departments of GOI regarding collaboration with IAPSM in different activities/ programmes and I am pleased to inform you that we are getting positive & overwhelming response from these departments & ministries.

It is my idea to publish postal stamp in the name of IAPSM. Though it is a costly affair yet still affordable and it will establish the august and renowned body of IAPSM in a class of its own. I have discussed this idea with Team IAPSM and other senior members as well and they have endorsed it pledging their whole hearted support to it. I would like to mention here that it is being done by other reputed bodies & organizations as well.

I would like to congratulate all the IAPSM members for organizing so many activities in their departments under the aegis of IAPSM on World AIDS Day & that too so enthusiastically & energetically. By these activities our body got visibility & recognition in media, administration and community too.

We have started IAPSM Academia by Team IAPSM in which UG and PG curricula will be discussed in detail. I am delighted by the enthusiasm shown by PGs, young faculty and public health experts towards the initiation of President's Appreciation Awards for work done in their respective fields.

It is my wish to bring all the former national presidents of IAPSM, secretary generals, chief editors of IJCM and Dhanwantari & Dr. Harcharan Singh oration awardees on one forum so we can use their expertise & experience for better functioning of IAPSM. They will act as our guiding force.

Please give your valuable feedback regarding the newsbulletin.

Wish you all a very happy, healthy & fulfilling New Year 2017.

Long Live "Active and Accountable IAPSM"!

Jai Hind!

With warm regards,

Dr. Ashok Mishra
National President,
IAPSM

IAPSM Achievers

Dr. Lalit Mohan Nath

MD (AIIMS), MS, Dr PH (New York), FAMS, FIAPSM, FIPHA

Dr. Lalit Mohan Nath is one of the pioneers in the field of Community Medicine & Public Health. He is a post graduate of AIIMS and he served the institute as Head of the discipline, Dean and Director from 1967 till his superannuation in 1996. He was gazetted as a member of the National Council of Health and Family Welfare. He held the posts of President & Secretary General of the Indian Association of Preventive & Social Medicine (IAPSM) & introduced the modern discipline of Clinical Epidemiology in India. He worked as Examiner at various medical universities in India & abroad. He worked in WHO for about 5 years with responsibilities in South East Asian Region.

He served the National Human Rights Commission as a member of the core group on health and represented them abroad too. He was also member of the Editorial Committee of the Journal of the National Human Rights Commission.

Besides these he has other interests also. He was appointed to the Indian Board of Wildlife (IBWL) which was then a statutory body set up by Parliament. For most of his 18 years as a member of IBWL, he served as Secretary of the Executive Committee including several years with Mrs. Indira Gandhi as the Chairperson.

He was the Chairman of the Conservation Committee of the Planning Commission for the then 5 year plan. He was also member of the three member committee set up by Parliament to examine "Project Tiger". He was Member of the selection committee for the faculty of the Wildlife Institute of India. He is an international sportsman & was the recipient of a Gold Medal won during the NSSA World Skeet Shooting Championship in Rochester. He is interested in (i) conservation & wildlife photography, especially of birds and (ii) Health, particularly in rural & other deprived areas.

Currently he is member of several government advisory committees set up by Ministry of Health & Family Welfare and the Indian Council of Medical Research. He is also Member of the Independent Commission of Health and Development in India (High level think tank).

Dr. Sanjay Zodpey

MD, PhD, FIAPSM, FIPHA

Prof. Sanjay Zodpey presently works as Vice President - Academics, Public Health Foundation of India (PHFI), New Delhi and also holds leadership position as Director at Indian Institute of Public Health, Delhi. He is appointed as Adjunct Faculty at Jiann-Ping Hsu College of Public Health, Georgia Southern University, Georgia, Adjunct Professor in Public Health Leadership, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, USA, Honorary Professor, Sydney Medical School, The University of Sydney, Australia, Honorary Professor, School of Health and Social Development, Faculty of Health, Deakin University, Melbourne, Australia and Adjunct Faculty, Faculty of Biological Sciences, Academy of Scientific and Innovative Research, CSIR, Chennai. He also served as Director of Indian Institutes of Public Health at Gandhinagar and Bhubaneswar. Earlier he worked as Professor at Department of Preventive and Social Medicine, Faculty in Clinical Epidemiology Unit and Vice Dean at Government Medical College, Nagpur, India. He also worked as Professor and Head at the Department of Preventive and Social Medicine, Shri VN Government Medical College, Yavatmal, India.

He is also a Member of National Academy of Medical Sciences and several professional associations. He is the Chair of Global Evaluation and Monitoring Network for Health [GEMNet-Health] and provides leadership to several public health initiatives globally through this network. Recently, he has been appointed Board Member of Routine Health Information Network, Inc [RHINO], Boston, USA. He is involved in IndiaCLEN Program Evaluation Network since its inception.

Prof. Zodpey has been involved in several major national and international research initiatives, which have contributed significantly to the field of public health. His initial research work mainly focused on occupational health, infectious diseases and vaccines. He is currently engaged in several research projects related to maternal and child health, vaccines and human resources for health. He has been investigator for more than 125 research, programme development, technical assistance and capacity development projects supported by various donor agencies, development partners and governments. He is the recipient of numerous honours and research awards. Prof. Zodpey has authored more than 290 scientific publications in international and Indian peer reviewed-journals. He has been faculty for over 150 workshops dealing with various aspects of research methods, epidemiology and public health. He is the Chief Editor of Indian Journal of Public Health and Associate Editor of Frontiers in Public Health Education and Promotion. He serves as a Member of Editorial Board for 18 peer-reviewed journals.

He has authored two monographs related to education of health professionals in India. He is the Country Lead for Asia Pacific Network on Health Professional Education Reforms [ANHER] and Country Focal Point for Asia Pacific Action Alliance for Human Resources for Health [AAAHH]. Earlier, he served as Member on Institute Of Medicine [IOM, Washington DC] Global Forum on Innovation in Health Professional Education.

IAPSM FOUNDATION DAY : 15th February

It has been found as per record that the registration certificate of IAPSM was received by IAPSM National HQ on 15th February, so it was decided in consultation with Team IAPSM 2016-17 that 15th February shall be observed and celebrated as "IAPSM Foundation Day" every year by the Community Medicine Departments of all Medical Colleges across the country.

The proposed outline of activities is as follows:

1. Sensitization of students regarding IAPSM as a national body.
2. Brief account of important activities done under the aegis of IAPSM in last one year.
3. Proposed activities/initiatives related to academics.
4. Talk on some topic of public health importance by faculty/students.

Launching of IAPSM Flag

First GC meeting was held on 26th May 2016 under the chairmanship of National President Dr. Ashok Mishra at Ahmedabad. In that meeting Dr. Ashok Mishra & Dr. A.M. Kadri unveiled the official flag of IAPSM and 30 point agenda was discussed in detail and many important decisions were taken covering various aspects of IAPSM body and PSM. Every member participated in the discussion. In the meeting unanimous decision was taken that all official events of IAPSM eg. meetings, workshops, seminars, conferences etc. shall start with National IAPSM flag on dais followed by flag salutation and IAPSM prayer.

FLAG SALUTATION

"We, the accredited members of IAPSM stand here to salute our National Flag, "The Tiranga" and we shall do everything in our power to see it fly high & fearlessly amongst all.

We take pledge that we shall protect it with the last breath in our body & shall lay down our lives upholding its honour & glory".

PRAYER OF IAPSM

"O God, my Lord, I start my studies with your worship & always pray for success. Please illumine my path & make all my work free of obstacles.

Whatever actions I perform with my body, speech, mind, senses & intellect – I dedicate them all to the service of humanity.

May all be healthy, may all attain peace,
May none suffer, may all be blessed.
I offer my salutations to you, my Lord,
Take me under your benediction".

IAPSM Flag Specifications

- Cloth Satin Silk - on both sides.
- Shade - Royal Blue.
- Size - 9 X 6 Inches (L X W) Ratio = 3 : 2
- Colour of IAPSM logo - Outer circle white and inner circle red (Either Printed or Embroidered on both sides) as shown in IAPSM website.
- Please follow the standards of National Flag as laid down in 'National Flag Code' of India by Bureau of Indian Standards.
